As you step through the front door, you're welcomed by a bright and well-balanced layout designed for modern living. To the front, the contemporary kitchen and dining area provides a bright, sociable setting for everyday meals and entertaining, while the spacious living room to the rear opens onto the garden through French doors, creating a seamless connection between inside and out. A useful downstairs cloakroom completes the ground floor.

Upstairs, the home offers three well-proportioned bedrooms, and a modern family bathroom.

Outside, there is an enclosed garden and off-road parking.
